A.J. Sellman would be happy to advise you with your choice of memorial and inscription.

This brochure shows some of the granite and stone memorials available to you. A wider selection is available upon request. Because of its enduring properties, granite retains its beauty with minimal weathering or deterioration and very high profile is suitable for both sandblast and hand etched ornamentation.

Granite, as with all natural materials varies slightly in colour, shade and grain structure from piece to piece, making it truly unique to you. We also offer a beautiful collection of more traditional stone and marble memorials.

When you have chosen a memorial, layouts and proofs will always be provided.

*‘Memory is a golden chain
that binds us till we meet again’*

*‘To live in the hearts of
those we love is not to die’*

*‘Always in our thoughts
forever in our hearts’*

*‘On earth one gentle soul less.
In heaven one angel more’*
